

Requesting an eCATS profile - Supplier

External access guide – Guidance for use

What is the purpose?

Single-column text (Level 1 without bullet point)

- 1) To provide steps required to request an eCATS Profile in order to access ecats.honeywellaerospace.com
- 2) A Honeywell Aerospace ID is required before an eCATS profile can be requested.
- 3) The Honeywell Aerospace ID is not the same as the eCATS Profile. The Honeywell Aerospace ID usually uses an email format or a combination of multiple letters and numbers but the eCATS profile will be in the Sxxxxxx, or Cxxxxxx format.
- 4) To request an eCATS profile follow the steps outlined in this presentation

Honeywell Aerospace LDAP *

You agree and consent to Honeywell Aerospace's [Terms & Conditions](#) and have read and understood Honeywell Aerospace's [Privacy Policy](#).

NOTE: * -- Completion of these fields is mandatory

Feedback | [Privacy Statement](#)

All fields with the red asterisk are required.

It is important to select the correct Honeywell Aerospace Site. The Honeywell Aerospace Site designated contact will receive your registration request and approve or reject it. Registration requests sent to the incorrect Honeywell Aerospace site could be rejected or could take longer to be addressed.

The Honeywell Aerospace LDAP field is populated automatically from the Honeywell Aerospace ID account used to login to eCATS

Key: Please enter the key value:

Finally click submit.

The Key value number shown must be entered in the field.

Thank you
